

A night-time photograph of a residential project site. In the center, a large, illuminated sign reads 'VITS Select CASUARINA DIVEAGAR'. The sign is positioned in front of a swimming pool with blue water and several fountains. To the left, a large tree with a red cloth tied around its trunk is visible. To the right, a tall palm tree and a modern building are partially visible. A bright street light illuminates the scene from the right. In the foreground, there is a brick-paved area and a small structure with a sign listing project details.
